Subject: File Closure, Triumph Mining Corporation, Gardner Canyon Mine, M/023/0113, Juab County, Utah

Dear Messrs. Steele and Young:

The Division of Oil, Gas and Mining received the permit fee of \$150.00 for 2016 for the Gardner Canyon small mine, permit number S/023/0015, but did not receive the additional amount required, \$350.00, for the Gardner Canyon large mining operation. For this reason, the Division will close the file for the Gardner Canyon large mine.

Please feel free to re-submit the Notice of Intention to Commence Large Mining Operations (LMO) for the Gardner Canyon large mine at which time the additional permit fee will be required. The LMO will need to contain responses to the Division's comments which were sent September 9, 2015.

Please call Wayne Western at 801-538-5263 or me at 801-538-5261 if you have questions about this action.

Sincerely,

Paul B. Baker  
Minerals Program Manager
